

27TH OCTOBER
2026

Trinity College Dublin,
Ireland

FINAL CONFERENCE

of the HY4RES project

*Exploring the role of hybrid renewable energy systems
in building a more resilient, low-carbon Europe*

Provisional programme

 **9:30-10:00**

WELCOME COFFEE

 **10:00-13:00**

OPENING SESSION

Introduction

Welcoming words from representatives of Trinity College Dublin, coordinator of HY4RES project

Keynote speech

Speaker to be confirmed

Presentations

Key project outcomes: three years of applied research to develop interoperability of various renewable energy sources within hybrid, smart and sustainable systems

Short coffee break

Workshop

From demonstration to replication: how to bring hybrid systems further?

 **13:00-14:00**

NETWORKING LUNCH

 **14:00-16:00**

AFTERNOON SESSION

Panel discussion

Political and regulatory landscape: challenges and opportunities for the development of renewable energy in industry and communities

Workshop

Beyond HY4RES: bringing innovation to market

Conclusions
